Re: International Application No. PCT/JP2004/014725
For: METHOD FOR PRODUCING Ti OR Ti
ALLOY TROUGH REDUCTION BY Ca
Applicant: SUMITOMO TITANIUM CORPORATION
Our Docket No.: 12054-0056

Dear Sirs:

It has come to our attention that the Priority Documents for the above-identified International Application were not transmitted from the IB to the U.S. Patent & Trademark Office. The electronic records at WIPO do not indicate that a PCT/IB/304 was ever issued (copy attached), and now we have received an Allowance from the U.S. Examiner who is requiring submission of the (2) certified priority documents as soon as possible.

Please contact the undersigned at your earliest convenience to advise how this matter can be rectified. Thank you.

Very truly yours,

Christopher W. Brody
